### Rink Update

We started preparations for flooding in late October. We began flooding Nov. 7<sup>th</sup> as the cold weather took over. If you're curious...yes this was a pretty early start. It took 11 heavy applications and as of Nov. 17<sup>th</sup> the rink was ready.

We're pro-active in keeping the ice clear of snow and freshly flooded. But we're volunteers and we're all busy. The shovels stay outside in order for users to shovel the snow. Feel free to push it to the side boards, and as soon as we get the chance, we'll remove it. But we can't be there 24/7! If you have inquiries or concerns related to the rink contact Trevor Grabowski 306-380-7011.
